### **Apps for Mobile Devices**

**Child Health Tracker** Developed by the American Academy of Pediatrics, this "tracker" gives parents the power of on-demand access to guidance on vaccinations and milestones they should be expecting with each birthday. Also included are tools like parent handouts for each well child visit. Available at a nominal cost from the American Academy of Pediatrics.

Vaccines on the Go: What You Should Know – This app provides parents with reliable information about the science, safety, and importance of vaccines and the diseases they prevent. A free app from the Vaccine Education Center at the Children's Hospital of Philadelphia. Available for Android and Apple devices.

**TravWell** – Use this app to build a trip to get destination-specific vaccine recommendations, a checklist of what is needed to prepare for travel and much more. A free app from Centers for Disease Control and Prevention.
